

MEET THE VISIONARIES

A Summary of Rahul Mohabir

CHIEF EXECUTIVE OFFICER

Rahul Mohabir is the Chief Executive Officer of BIM Africa, bringing together many years of professional experience across technology, business, global business services, investment, compliance and client management.

He holds a **Bachelor's degree in Management with a minor in Business Informatics from the University of Mauritius**, combining business management with information technology. His academic research focused on the factors affecting the adoption of online shopping in Mauritius, applying the Technology Acceptance Model to the context of grocery shopping and examining factors including perceived usefulness, ease of use, trust and visibility.

His professional experience spans **technology, global business, investment, corporate services, compliance and client management**, giving him a broad understanding of both business operations and the technology required to support them.

At BIM Africa, Rahul leads the company's strategic direction, growth and long-term development, with a focus on building technology-led solutions that address real business needs and create meaningful value for clients.

Rahul is also an **approved officer of the Financial Services Commission**, who served as a Deputy Money Laundering Reporting Officer.
